Dear Student,

You're invited to apply for an exciting new high school experience with CREC. Based on recommendations from your high school, you may be a great fit for the Impact Academy, where we do high school differently. Ask yourself:

- ✓ Are you interested in learning more about, in, and around Hartford?

If yes, CREC's Impact Academy offers you a unique opportunity to learn and grow in a caring and supportive environment with....

- **Hands-on, project-based** courses
- **Engaging and unconventional** courses
- Flexible, understanding, and **caring** staff
- Frequent **out of classroom experiences** in the **community**
- **Small class sizes**

We're looking for students, like you, who want to be creators of their own learning by building a uniquely, student-driven learning community.

*If you're interested in being part of CREC's Impact Academy, complete and submit the attached application by May 3, 2019. After a review of applications, selected students and a parent or guardian will be invited to an interview with Impact Academy staff.*
